

**REMARKS:**

DRAWING AMENDMENTS

5 The Applicants have amended FIG. 5 to correct a minor informality. In Fig 5 there were two elements that had the number 1220: the controller (top of figure) and the light source (middle left hand side of figure). SPECIFICATION AMENDMENT

10 The Applicants request that the amendments, shown in the accompanying corrected paragraph, be made to the specification. With this amendment, the Applicants have made the description correspond to drawings and have corrected a minor typographical error. The Applicants submit that no new matter has been entered with this amendment to the specification.

CONCLUSION

15 In view of the above amendments and remarks, the Applicants submit that Examiner enter the amendment, consider the application and point out the allowable subject matter in the next Office Action.

Respectfully submitted,
